AHG WALKS TO SAVE HOMELESS YOUTH

As you may have read in our last newsletter, Senior Project Manager Anna Scott has been deeply invested in her volunteer work with San Diego Youth Services, an organization that assists homeless youth. Through Anna, AHG learned of the "Photocharity 5K Walk To Save Homeless Youth." Photocharity is a private organization that supports homeless programs throughout the country. It was a great opportunity for the AHG Team to donate as well as participate in a very meaningful event.

"It was a great event, very high energy. Hundreds of caring people coming together for a very important cause. It was a very worthwhile experience"
Jeff Edgren, Director of Acquisitions

President James Silverwood named "Top 20"

A tribute to 20 men in San Diego who have made outstanding contributions in their fields of work and in the community

A pioneer in the industry, Silverwood recently developed the first affordable, LEED-certified high-rise on the West coast, creating homes for over 227 San Diego residents. He is also developing the first one stop shop homeless shelter in San Diego County, filling a void that has required attention in San Diego for years.
