Located in the City of Vista, Artesian Villas will feature 96 one and two bedroom apartment homes. Community amenities will include a recreation area with pool, spa and a multipurpose room. ## The Revitalization of Sonoma Court

Originally built in 1978, Sonoma Court, located in Escondido, was rehabilitated in 1992 by Affirmed Housing and today is again receiving an upgrade. The interiors will be completely renovated and a significant PV (Photo Voltaic or solar) system added to the complex to reduce the carbon footprint. As the photo below show, the interior courtyard is receiving a complete renovation which will include a new pool, tot lot, BBQ, out door picnic areas and new landscaping.

## Conservation of our Resources

In light of the drought happening throughout California, the 27 + Affirmed Housing properties will lower water usage by about 40%. Of the 27 completed Affirmed Communities, more than 50% are LEED or Build it Green Certified. By utilizing drought tolerant plants and low flow fixtures, our communities will achieve and surpass this goal by lowering utility bills and our overall environmental imprint. Affirmed is proud to be a leader of sustainable building and sustainable living.

## Vermont Villas update

Vermont Villas is well on its way! Located in Los Angeles, this innovative community will feature 78 permanent homes for homeless and at risk seniors age 62+ who are Veterans or disabled. To be completed by Summer 2015, this new community is made possible by the partnership of Affirmed Housing and PATH Ventures.

## Community Celebration at Cassia Heights

During the recent destructive wildfires that hit multiple locations in San Diego County, our own Cassia Heights narrowly escaped the blaze that ravaged the canyon directly behind the community.

To celebrate the strength and patience shown by the residents during this tumultuous time, a community party was held featuring the favorite; Phil's BBQ. Special thank you to all of our residents who attended and to Erma from Carlsbad Housing Program, Marie Jones-Kirk from Carlsbad Housing & Neighborhood Services, and Craig Kirk of Carlsbad Housing Commission.
